INW/WP-5a  
Control No. 445914  
28 October 1953

MEMORANDUM FOR: INW

SUBJECT : Draft Transmittal to USDel for Use in COCOM of  
CIA Paper on "The Strategic Use Pattern of Lead  
in the Soviet Bloc"

1. Attached for INW consideration is a CIA draft working paper on the above subject to be approved and transmitted to Paris for use in COCOM by the USDel as a supplement to the OIR lead paper, transmitted earlier. This CIA paper was prepared in response to the 28 July request of the Joint Committee on Export Control Levels (JCECL), reference INW Case 55.
2. This paper has been approved for release by source agencies for use in COCOM and does not contain "classified military information" under the SD-MICC definition. Members are requested to review the attached in the light of JCECL Document 226.50 of 28 September 1953 on Lead.
3. A more complete treatment of this subject is found in INW/WP-5 which is to be reviewed by INW and forwarded for information of U.S. officials only.
